

## F.A.R.T.S

**Friday** the night, this lot do meet  
**Auckley** in the Eagle, the usual greet  
**Rugby** to follow, such a treat  
**Touring** along, a bus for the street  
**Society** bash, bucks fizz, breakfast feat

As we motor along, drivers in gear  
Breakfast dished out, Captain AWAC in the rear  
The President's first, champer's up, all cheer  
Chairman's next, judge is out, what's on here  
I'll take the case, mine's a beer

The Judge, on crutch again  
A holiday snap, it's in the frame  
Not me your honour, I'm so tame  
Excuses like leg, so often, so lame

Now what's the tally  
For ASDA's Aunt Sally  
It's Siemens in Staines  
Says his Lordship who now reigns

The Landlady's in tow  
To run the quiz show  
Branton badger, oh dear, teacher did pop  
Kingfisher says, no no, it's beaver, do stop

When the champers all down It's a circus, many a clown  
All head for a bookie  
Back a nag, feeling lucky

When young baldies on form  
To his lover he'll warm  
Both sail on a sloop  
Take all week to recoup

A lovely couple they'll make  
Now a wedding's "in order" with a mighty big cake

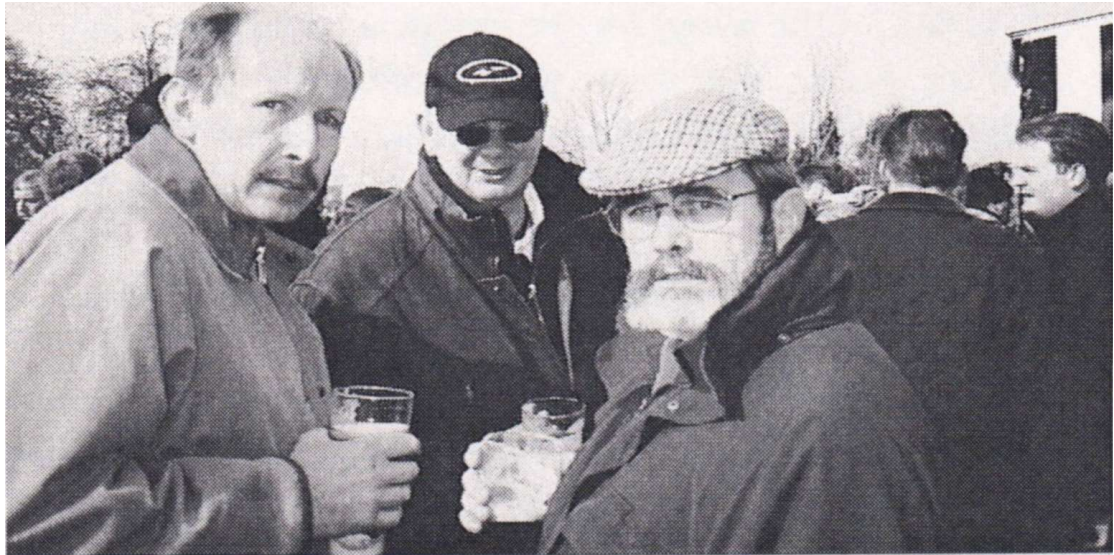

Another troop of bohemian style  
Come join in, takes no while  
Two new with the crew  
In Hong Kong, what a to-do

Now fun is the game  
All tours end in fame

For those who take part  
They become a **F.A.R.T.**
