

Waltzing Van Vuuren (To the tune of Waltzing Matilda)

He is a proud South African
Playing with the Donny team
Wearing eleven on the back of his shirt
And he ran and he danced as he side stepped around the OPPO
team

You'll come a waltzing Van Vuuren with me

Waltzing Van Vuuren
Waltzing Van Vuuren
You'll come a waltzing Van Vuuren with me
And he ran and he danced as he stepped around the OPPO team
You'll come a waltzing Van Vuuren with me
